Walk-in Customers

Private work: ongoing collision repair and body maintenance.

02 PANEL BEATING & CHASSIS ALIGNMENT

- **Precision measurements:** Utilising manufacturer-approved Car Bench system technology to repair chassis-damaged vehicles to factory specifications.
- **Advanced welding:** Equipped with the latest inverter welders for structural integrity.
- **Panel beating & body repairs:** Meticulous auto body repair for cars, small trucks, vans and commercial vehicles.

03 SPRAY PAINTING & REFINISHING

- **State-of-the-art baking:** Oversized, fully downdraft baking oven capable of accommodating passenger cars through to large commercial vehicles.
- **Spray painting & refinishing:** Professional paint refinishing, colour matching and full respray services.
- **Quality paint finishes:** Premium 2-pack lacquers paired with rapid infra-red drying for a flawless factory finish.

04 SMART REPAIRS (SAME-DAY)

- **Fast-track repairs:** Quick-turnaround service for minor scrapes, bumper repairs and touch-ups.
- **Paintless Dent Repair (PDR):** Efficient removal of minor dents without compromising the original paintwork.

05 FLEET & COMMERCIAL DIVISION

- **Vans, utes & small trucks:** Dedicated bays equipped to process light commercial and fleet vehicles efficiently.
- **Downtime minimisation:** Streamlined workflows to get business vehicles back on the road earning quickly.

06 INSURANCE CLAIMS & "NOT AT FAULT"

- **Seamless claims:** Complete end-to-end handling for "Not At Fault" insurance claims to protect your entitlements.
- **Digital & onsite estimates:** Trained estimators providing immediate digital estimates directly to your insurer, or fast on-the-spot quotes.

07 COMPLETE ACCIDENT SUPPORT

- **Towing service:** Round-the-clock emergency vehicle recovery.
- **Replacement vehicles:** Same-type replacement vehicles at no cost to not-at-fault customers, to keep you moving during repairs.
- **Value-add services:** Assistance with signwriting, window tinting and vehicle delivery.

VEHICLES WE REPAIR

From family cars to small trucks and fleets
